

**Why do you think we've  
turned the lights off?**

**To save electricity!**

**What else do we use electricity for?**

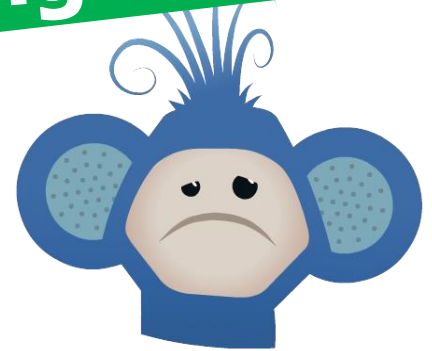

Money

Climate Change

# What is climate change?

**So, what can we  
do about it?**

WASTE BUSTER

The pod

**Stop wasting energy!**

Does anybody know  
what this red light  
means?

**How could you save energy in the kitchen?**
