

Instructions - Consonant cluster sort

- Cut the cards up turn the cards face down. Choose a board.
- Take it turns to choose a card and read it out. If the word begins with the consonant cluster on your board put it on the castle.
- This could be an independent activity or against opponents. The quickest person to complete their castle board is the winner.
- Once the boards are completed re-read the words on the board. Discuss the words to check understanding.
