

FS Newsletter

Friday 9th December 2022

Dear Parents and Carers,

The children have worked incredibly hard this week polishing their performance on stage. We are so very proud of them and hope you are too! Thank you for all your support and for their fantastic outfits! They were so excited to show them off at the beginning of the week. Thank you also for your generosity and we look forward to hatching eggs at some point in the Spring term.

The children put their phonics skills into practice this week by writing about their part in the play and talking about what they liked the most. It has been lovely to see the progress they have made since starting school.

In phonics we have been learning some new sounds: z, zz, qu, ch and sh. The children need to look for the digraphs in words before trying to read it. You may have noticed that we have put small phase 3 sound cards, a set with pictures and a set without, in their reading wallets. Will be recapping next week so we will not be learning any new sounds for the rest of the term.

Wishing you all a Merry Christmas and a Happy New Year!

The Foundation Stage team

In Maths we started off the week by looking at daily routines and thinking about the things we do during the day time and the things we do at night. We then moved on to look for different arrangements for 6 and matching quantity to numeral by making envelopes showing a quantity and posting it into the house with the correct number.

This will be the final newsletter of the year. We will be collecting all library books in on Tuesday. We are looking forward to going to the church on Tuesday morning and on Wednesday we will be enjoying a Christmas lunch! On Tuesday 20th December we will be having a Christmas party in EYFS. We will be providing party finger foods. Please make the class teacher aware of any allergies. Children may come to school in party clothes but please be aware that they will be eating lunch and playing outside in these clothes.

At home you could try

EYFS:

- Drawing a picture of something you do during the day and something you do at night.
- Practising writing your name, forming the letters correctly and the sounds we have learnt so far. You could make your Christmas list by writing the sounds you can hear in words.
