Parsons Down Partnership of Schools will adopt and follow Chapter 1: Core Procedures – Allegations against Staff and Volunteers of the Berkshire Local Safeguarding Children Board' Child Protection Procedures.

This must be accessed online at http://proceduresonline.com/berks/west_berk/p_alleg_against_staff.html

The document is continually updated and so paper copies will become out of date very quickly.

This policy will be monitored by the Executive Headteacher and full Governing Board, and reviewed on an annual basis.
