

# BRILLIANT BASIL!

Bees like basil flowers!

## GROW IT

Sunny windowsill or warm garden

Water little and often

Pinch off flowers to keep leaves growing

Snip above a pair of leaves.

## TASTE IT

**Kid-friendly pesto dip:**  
Blend a handful of basil + 1 tbsp olive oil + squeeze of lemon + pinch of salt. Dip cucumber sticks!

**Easy pizza toast:**  
Tomato passata + torn basil + mozzarella on toast, grill until bubbly.

## FUN FACTS

Basil loves warmth, hates frost.

Tear leaves instead of chopping so they don't go brown.
